

## Lincoln College – Oxford Australia Clarendon Scholarship

### 1. *The Award* *Available in 2025*

A Scholarship, funded through the generosity of Australians who have studied at Lincoln College, and in partnership with the Oxford Clarendon Fund, is awarded for a graduate from Australia to study at Oxford University. As an award was made in 2022, it is anticipated that the Scholarship will next be available in 2025-2026.

The Lincoln College - Oxford Australia Clarendon Scholarship is open to any discipline and is generally tenable for up to two years, or, in the case of a DPhil degree, for three years.

### 2. *Eligibility*

In addition to the usual Clarendon selection criteria, the Lincoln College Oxford Australia Clarendon partnership award will normally be selected on the following additional criteria:

- be an Australian citizen normally resident in Australia
- hold a Bachelor's degree with first class Honours, or its equivalent, from a recognised Australian university
- not have studied overseas for an international degree.

Normally, the scholarship is intended for undergraduate and graduate students, currently studying or working in Australia, to pursue their first international degree.

It is the responsibility of each applicant to ensure that their qualifications meet the requirements of their chosen Oxford University course.

### 3. *Value of the Awards*

The Lincoln College Oxford Australia Clarendon Scholarship covers all College and University fees and provides a generous living allowance for the duration of the course.

### 4. *Application Procedure*

All graduate applications to Oxford University are automatically considered for a Clarendon Award ([www.clarendon.ox.ac.uk](http://www.clarendon.ox.ac.uk)) and Oxford University Graduate Admissions will select the awardee for the Lincoln College Oxford Australia Clarendon Scholarship in 2025, based on the above criteria.
